EDUCATION

Kanpur Institute of Technology (KIT), Kanpur — UP Pursuing Diploma in Computer Science Engineering	2024 – 2027
Ramshree Inter College, Unnao, UP Senior Secondary (12th), UP Board of Education	2024 – 2025
Dr. Virendra Swarup Education Centre, Unnao, UP Secondary (10th), CBSE Board	2020 – 2021

TECHNICAL SKILLS

Languages: Java, Python, JavaScript, HTML5, CSS3

Concepts: Data Structures & Algorithms (DSA), REST APIs, Spring Boot basics, Object-Oriented Programming

Tools & Libraries: Chart.js, Leaflet.js, Three.js, Web Serial API, Git/GitHub

Currently: Strengthening DSA and Java fundamentals via structured 6-month SDE prep (Striver's A2Z, NeetCode 150, LeetCode)

INTERSHIPS

India Space Lab — Summer Internship & Technical Training Program • Completed technical training covering Advanced Drone Technology, CanSat & CubeSat Satellite Programs, Rocketry Science, and Remote Sensing & GIS with Disaster Management. • Applied CanSat and CubeSat concepts directly toward building the CanSat Ground Control Software project.	Jun 2026 – Jul 2026
Codec Technologies Pvt. Ltd. — Python Developer Intern AICTE & ICAC Approved Internship Program • Completed a 1-month internship focused on Python development, gaining practical experience in software development practices.	Jun 2025 – Jul 2025

PROJECTS

CanSat Ground Control Software Three.js • Leaflet.js • Chart.js • Web Serial API • Built a single-page aerospace-themed ground control dashboard for real-time satellite telemetry with live 3D orientation model, interactive map tracking, and live telemetry graphs. • Implemented real-time hardware communication via Web Serial API, with physics-plausible simulated data fallback for offline demos and testing. • Designed full front-end architecture spanning UI/UX, data visualization, and hardware integration as a self-directed full-stack project.	Self-Directed
Weather Vani — Team Project (Diploma CSE Mini Project CS24170) HTML5 • CSS3 • JavaScript • OpenWeatherMap API • Developed a weather forecasting web application integrated with OpenWeatherMap API for live weather data. • Collaborated with a team of four (Abhay Pratap Singh, Sania Malik, Suhani Kasera) to design, build, and test the application.	Mini Project

CERTIFICATIONS & ACHIEVEMENTS

- Certificate of Participation — Mega Career Guidance Workshop by Sheryians Coding School (17 Aug 2025), covering AI, Full Stack, DevOps, Blockchain, Web3 & Cloud Computing.
- Certificate of Participation — National Financial Literacy Quiz 2025 (NISM & SEBI).
- Certificate of Participation — Career Guidance Webinar with E-Cell, IIT Hyderabad and Skill Dunia Edutech (13 Feb 2025).

HOBBIES

Photography and music
